

Need Help with English Conversation?

U3A Manningham

Our tutors help people who wish to improve their speaking, listening and understanding in English.

Your tutor will usually meet you once a week for about an hour.

This service is **FREE**. Our tutors are volunteers and do not get paid.

If you wish to have a tutor to help you, send an email to manunipines@gmail.com or contact the U3A Manningham Office and give your contact details.

The Coordinator of the Migrant English program will then contact you to give and seek more information.

The meetings are either face-to-face or online.

Face-to-face meetings may be held at a home or at a public place (such as the library, coffee place or a food court).

Online meetings may be held using Zoom, Whatsapp, WeChat, Face Time or something similar.
